

MONEY CANDLE RITUAL

FOR MANIFESTING MONEY AND ABUNDANCE

You will need:

- White candle (for Divine Love)
- Green candle (for Money and Abundance)
- Cash (any denomination, placed under the candle)
- Cinnamon and/or Allspice (to be sprinkled over the wicks and on the cash for 'Grounding your desire')

Directions:

1. Write your intention and place it near the candles.
2. Take a moment before lighting the candles to connect deeply within yourself and allow your Divine Energy to come forward.
3. With the full power and love of the God/Goddess within, light the white candle of Divine Love. Feel and visualize its radiant energy both within and around you.
4. Next, light the green candle, inviting an abundance of money and money-making opportunities into your life.
5. Gently pinch out the candles; avoid blowing them out.
6. Repeat this ritual for three consecutive days, with each candle burning for three minutes.
7. For extra clearing at the end of the three-day ritual, chant the Ganesh/Ganapati mantra "Om Gan Ganapataye Namah" 108 times. You can find this chant on YouTube.
